More than 11,000 people used Shivalik Bank ATMs and transactions worth crores of rupees were done during Diwali holidays!

While most of other banks' ATMs had exhausted their currency stocks because of heavy demand during festive season, it were Shivalik Bank's ATMs at Saharanpur (Hakikat Nagar, Chilkana Road, Madhav Nagar, Ansari Road, Nagal, Sarsawa,

Ambehta, Gangoh, Deoband, Rampur and Nanauta, Sharda Nagar), Muzaffarnagar, Khatauli, Meerut, Ghaziabad, Indirapuram, Noida 27, Noida 135, Indore and Dhar) which came to rescue for the public and kept on dispensing cash to the card users.

It was not just a co-incidence that our Shivalik Bank ATMs were able to deliver cash during holidays. It was the happy result of a well planned and executed strategy by the branches of Shivalik Bank with full backing from I.T. Department at Head Office. Thus, extensive arrangements were made beforehand foreseeing heavy demand for cash during these 5 holidays and all branches of the bank saw to it that not a single ATM of Shivalik Bank disappoints the customers.

Isn't it nice to have such a caring bank around us?
