

## Shivalik Bank is now offering Debit Card facility also

---

Saharanpur : Shivalik Bank has added yet another feather to its cap. With the introduction of Debit Card feature to its ATM cards, Shivalik Bank has become 1st coop. bank in Northern India to offer this facility to

its account holders. Not only this, it is 18th coop. bank in the whole of India to offer Debit Cards.

Empowered with world's top notch CBS technology being offered by FIS, Shivalik Bank's ATM cards are now acceptable at 1.73 lac ATMs throughout India and at 9.53 lac merchant establishments offering purchase through card swiping machines (PoS machines) in various cities and metros in the country.

The Debit Card feature conforms to the RBI's norms that PIN security should be in-built in all

debit cards. Thus, card holders will need to validate their purchase by punching in their secret PIN into the swiping machine.
