NEW DELHI [INDIA] : The representatives of the Federation of Resident Doctors Association (FORDA), Indian Medical Association (IMA) and Resident Doctors' Associations of Governmental Medical Colleges & Hospitals of Delhi have met the Union Ministry of Health & Family Welfare at New Delhi in the aftermath of the incident against a resident doctor in RG Kar Medical College and Hospital, Kolkata.

The Associations have put forth their demands regarding their concern over the safety and security of healthcare workers at the workplace. The Union Ministry of Health & Family Welfare has heard the demands of the representatives and assured them of all possible efforts to ensure the security of healthcare professionals.

The representatives of all the Associations were informed that the Government is well aware of the situation and is sensitive to their demands. It was observed that 26 States have already passed legislation for the protection of healthcare workers in their respective states. In view of the concerns expressed by the Associations, the Ministry assured them of constituting a Committee to suggest all such possible measures for ensuring the safety of healthcare professionals. Representatives of all stakeholders including the State Governments will be invited to share their suggestions with the Committee.

The Ministry also requested the agitating doctors to resume their duties in the larger public interest and in view of the rising cases of Dengue and

Malaria. Meanwhile, Indian Medical Association (IMA) National President Dr Asokan on Saturday said that the time is ripe for PM Narendra Modi's intervention into the rape and murder incident of a trainee doctor at RG Kar Medical College and Hospital in Kolkata adding that they will be writing to the Prime Minister.

"Yes, we'll write to PM. We will be writing to the PM. The time is ripe for his intervention... Certainly, that (PM Modi mentioning women's safety in his August 15 speech) is one aspect that shows that he is concerned. It will be very appropriate to write to the prime minister. IMA will be doing that," Asokan told ANI.

"We did meet the Health Minister. Now it's for the government to respond. They will have the political will to respond now. Because what we have asked for is not something beyond them. We are asking for a very fundamental right, the right to life," he added.

Asokan said that doctors all across the sectors are

protesting against the rape and murder case of a trainee doctor in Kolkata.

"The response is overwhelming from every corner of the country. Doctors stand united against this injustice. The protest is there, taking care of the emergency services and the casualties. The medical profession has stood united across the country. Across all the sectors whether it's private, government, or corporate doctors are in protest. We are paying international attention to this issue because this involves the issue of the safety of women," he said. "We are expecting a gesture from the government because this is a very basic question of safety, especially the safety of women. Not only of our doctors but of the entire working women class. Public opinion in the country and the momentum that it has

created, it has become a movement for safety," IMA President added. Following the announcement of a nationwide strike over the RG Kar Medical College rape and murder incident by the IMA, doctors at All India Institutes of Medical Sciences (AIIMS) in Delhi staged a protest march inside the campus on Saturday. The doctors were seen holding posters and raising slogans of "We want justice".

IMA Secretary General Dr Anil Kumar J Nayak said they are hopeful that the government will bring the law they are demanding. "Our junior and resident doctors carried out a maharaj rally yesterday. 4000-5000 doctors joined it... Everyone is agitated and they are demanding safety. They are demanding CPA, Central Protection Act.

## NIA CHARGESHEETS TWO MORE NAXALS IN NARESH BHOKTA MURDER CASE

NEW DELHI [INDIA] : The National Investigation Agency (NIA) has chargesheeted two more "dreaded" naxals in the 2018 Bihar case of the abduction and murder of Naresh Singh Bhokta by cadres of the banned outfit.

The agency filed the fresh chargesheet on Friday. The fourth supplementary chargesheet filed takes the total number of accused chargesheeted in the case to 11.

The two chargesheeted accused have been identified as Anil Yadav alias Ankush alias Lavkush of Gaya district of Bihar, and Pramod Mishra alias Sohan Da alias BB Ji of Aurangabad district of the state.

As per the NIA, both the accused were notorious Naxal terrorists with various criminal cases registered against them in different police stations of Bihar and Jharkhand under the Indian Penal Code, Arms Act and Unlawful Activities (Prevention) Act.

The duo was arrested in the instant case in February this year by the NIA, which had taken over the investigation in June 2022. NIA investigations have revealed that Pramod Mishra, then CCM and later Polit Bureau Member of the banned naxal organisation had directed other cadres of the terrorist group.

## 20 coaches of Sabarmati Express derail near Kanpur Railways hints at sabotage

KANPUR (UP) : Twenty coaches of the Ahmedabad-bound Sabarmati Express passenger train derailed near Govindpur station in Kanpur early Saturday after the engine hit an "object placed on the track". Agencies are investigating the possible involvement of anti-social elements in the incident, railway officials said.

There were no casualties in the derailment that occurred between Kanpur and Bhimsen railway stations at around 2:35 am, disrupting traffic on the route. According to the Railways, seven trains were cancelled and three were diverted due to the derailment.

Railway Minister Ashwini Vaishnaw said that the Intelligence Bureau and Uttar Pradesh police were looking into the incident and arrangements were being made for the onward journey of passengers. In a post on X, Vaishnaw said, "The engine of Sabarmati Express (Varanasi to Amdavad) hit an object on the track and derailed near Kanpur at 02:35 am today.

"Sharp hit marks are observed. Evidence is protected. IB and UP police are also working on it. No injuries to passengers or staff. Train arranged for passengers for onward journey to Amdavad." Asked about the incident, Police Commissioner, Kanpur, Akhil Kumar told PTI that it "is premature to reach a conclusion on whether it is an accident or an act of mischief, but

It could be anything".

"The loco pilot told the police that he had seen something on the tracks from a distance and he immediately applied the emergency brakes that resulted in the derailment, but he failed to elaborate on what he saw," he said. Kumar said that no FIR had been lodged in this connection till Saturday evening as the police had not received a written complaint from the railways so far.

Railway Board officials said the involvement of miscreants or anti-social elements is being looked into as prima facie it appears that the engine hit an object "placed on the track".

"We found a foreign material near the 16th coach of the train. Looking at the size of the damaged portion of the cattle guard of the engine, it seems that the engine hit this foreign object and derailed," an official said. "The loco pilot said that some boulder hit the cattle guard (front portion) of the engine which got badly damaged and bent," another official said. On the same track at 1:20 am, a Patna-Indore train crossed uninterrupted, Railway Board officials said. "A piece of iron which was allegedly placed on the tracks resulting in train derailment has been found about 70 to 80 yards away from the incident site and no dragging signs were there," the police commissioner said. The passengers of the Sabarmati Express (19168) were sleeping when the train stopped after a loud noise. As the train halted, panic-stricken

passengers started pouring out of coaches.

Most of them sat near the railway track waiting for help and called their family members to inform them about the incident.

"Shortly after the train departed from the Kanpur railway station, we heard a loud noise and the coach started shaking. I got very scared but the train stopped," one of the passengers Vikas told PTI video.

Vikas, who boarded the train from Varanasi and was headed for Ahmedabad, said that the train was moving at a very slow speed when it got derailed.

"The police came almost an hour after the incident. We are waiting with our luggage on the side of the adjacent railway track," said another passenger.

Uttar Pradesh Relief Commissioner GS Naveen Kumar said, "Buses have been arranged for the passengers along with alternative arrangements for transportation and all passengers have been evacuated from the spot."

North Central Railway (NCR) senior public relations officer Shashikant Tripathi said an eight-coach MEMU train departed from Kanpur to the accident site to carry passengers back to Kanpur so that further arrangements could be made to send them to their respective destinations. The Railways has issued the following helpline numbers:- Prayagraj: 0532-2408128, 0532-2407353, Kanpur: 0512-2323018, 0512-2323015, Mirzapur: 05442220097.
